OFFICIAL ORGAN OF THE REPUBLICAN PARTY IN KNOX COUNTY

New Series: Vol. IV, No. 20

BARBOURVILLE, KY., FRIDAY, FEBRUARY 26, 1915,

Old Series: Vol. VIII, No. 34

THE LAW UPHOLD.

The United States Court has held that the payment of any check by a Bank when there are not sufficient funds on deposit to the credit of the person to pay it, is a misapplication of the funds of the bank, and is a violation of law. The Treasury department at Washington—under which all National Banks operate—recently made a rule, forbidding any Bank to pay the check of any person, unless such person had sufficient funds to his credit to pay the check, and ordered the Directors of each National Bank in the United States to pass a resolution forbidding any officer or person in charge of the Bank to pay any check, unless such person had money on deposit in the Bank to pay the check. The directors of the First National Bank in compliance with this rule of the National Banking department, made such an order, and so notified our customers.

The officers of the Bank desire to thank their friends and customers for the splendid manner in which they have come forward to assist the Bank in carrying out the law.

We feel that we have the best set of depositors and customers of any Bank in the Country. This Bank is the only "Honor Roll" National Bank in all Southeastern Kentucky. It has been made an "Honor Roll" bank because of its careful and progressive way of doing business, and because we have run the bank according to law. The failure of every bank is directly traceable to the officers and persons in charge of the Bank, disregarding the rules and laws laid down by the Government for the control and operation of banks. These laws and regulations promulgated by the Treasury Department of the United States are based upon years of experience and practical observation, and are made primarily to protect the depositors and every Bank should live up to them, and thereby insure the deposits in the said Bank. It is wrong to pay one man's check out of another man's deposits. That is the heaviest effect of paying overdrafts.

Many of the large National Banks of the Country with millions of deposits have cut out the overdrafts years ago, and it is now generally regarded by experienced Bankers that the payment of overdrafts is an evidence of loose banking methods and a violation of the Banking Laws. We might say here that since we adopted this rule, scarcely a person has attempted to overdraw his account, and our customers are standing by us nobly. For this we desire to express to them our appreciation and thanks. We have grown to be the largest Bank in Knox county. We want to give helpful assistance to our customers whenever we can do so, but at the time we want our friends to help us to comply with the law, so that we may continue to be a "Roll of Honor Bank" and you may at all times feel that your money is absolutely safe in this Bank. A bank is in a sense a public institution and should be so managed. That every person could feel and know that his money is absolutely safe. We desire again to thank our friends for their business and trust that you will continue to help us to maintain the high standard of the First National. Safety first, last and all the time, with helpful assistance to our customers, is our motto.

We invite you to open an account with the Roll of Honor Bank.

J. M. ROBSON, Pres.

ROBERT W. COLE, Cashier.

BELL COUNTY

Carried Bond Issue 10-to-1.

What Will Knox Do?

Read Every Line of This Issue.

J. M. CARNES WILL NOT RUN

To the voters of Knox County, and to my many friends who expected me to be a candidate for Clerk of the Knox Circuit Court this coming primary August 7th 1915: I wish to say I will not enter this race as a number of my good friends think I ought to wait and run for Sheriff at the next regular Primary.

By request of my many friends of this county I will be a candidate for the Republican nomination for Sheriff at the next regular Primary election held for county officers. Trusting you remember me and ask your neighbor to do the same.

I have faith to believe that the voters of this county will give me the nomination by a larger majority than any man has ever before received for a nomination to any office in this county.

Thanking you for your support and influence in the past, I will appreciate and thank you in advance for any assistance you may give me in the future.

You will find the boy the same today, tomorrow and forever,
J. M. Carnes.

"The Stratfords" rendered an excellent program to an extremely small turn out Tuesday evening. The promoters of Lyceum Cooper certainly deserve credit for offering our people the very best attractions to be secured for towns of our class, and the patronage should be about 100% better, that is if we don't want to see the said promoters "Turkey".

A card from J. Alex Tinsley and Jas. Golden, who are in school in Ann Arbor Mich., states that they wish they were at home to hear the candidates put up their game of talk and to take a hand in the furtherance of good roads, they also request us to vote them good and hard for the bond issue.

A heavy cold in the lungs that was expected to cure itself has been the starting point in many cases of disease that ended fatally. The sensible course is to take frequent doses of BALLARD'S HOREHOUND SYRUP. It checks the progress of the disorder and assists nature to restore normal conditions. Price 25c, 50c and \$1. Sold by J. Frank Hawn, this city—Advt.

FISCAL COURT DESIGNATES WHERE ROADS SHALL BE BUILT

This Makes it so Plain None can Mis-understand

DON'T FAIL TO READ

The action of G. B. Detherage, a member of said Fiscal Court, designated by V. D. Jackson, another member of said Fiscal Court, the following resolution was passed by the Fiscal Court of Knox County, to-wit:

Resolved, that the public interest demands the improvement, reconstruction and building of portions of the following roads in Knox County, Kentucky, to-wit: 1. The public County road beginning at Harboursville and running the most practicable route in the direction of Manchester, Ky., and to connect the county line between Knox and Clay counties, and the public road in Clay county from Manchester in the direction of the store said road in Knox County.

2. The public County road from Harboursville on and along the most practicable route to Laurel County line, to connect at the line between Laurel and Knox counties, the road from London, Ky., in the direction of Harboursville.

3. The public County road along the most practicable route in the direction of Pineville, Bell County, Kentucky, to connect at the line between the counties of Knox and Bell, with the road leading from Pineville in the direction of Harboursville.

4. The public County road along the most practicable route in the direction of Williamsburg, Ky., to connect at the line between the counties of Knox and Whitley, the road from Williamsburg in the direction of Harboursville.

To reconstruct that part of the public County road leading from Harboursville to Big Richland, to the Calvin Barton place.

To reconstruct and improve that portion of the public County road in said county from Emanuel up Middle Fork of Richland creek in the forks of the road at the J. Prosper place.

To improve and reconstruct that portion of the public County road leading up Fighting Creek from the forks of the road near the Fair Grounds to the mouth of Turkey Creek.

To reconstruct and improve that portion of the public County road from Artemus to Warren.

To reconstruct and improve that portion of the public County road leading from Moxie up Little Bush Creek, by the way of Hay's Gap to Cooley's Store on Little Bush Creek.

To reconstruct and improve that portion of the public County road leading from Flat Lick to the mouth of Bearing Fork of Stinking creek.

To reconstruct and improve that portion of the county road from the mouth of Hammons Fork to the mouth of Hinkle Branch on Road Fork.

To reconstruct and improve that portion of the public County road leading up Bull creek to the mouth of said creek to the mouth of Low Gap Branch.

To reconstruct and improve that portion of the public County road from the forks of the road to the other forks of said road south of Cooley's Gap.

To reconstruct and improve that portion of the public County road from the old Dennis Griffith place by the way of the George R. Barton place to the Laurel county line near the residence of Press Jones.

To reconstruct and improve that portion of the public County road from Place to Wilton.

To reconstruct and improve that portion of the public road from Harboursville to Woodbine, by the way of Wilton.

To reconstruct and improve that portion of the public County road leading from Harboursville down the north side of Cumberland river to the mouth of Indian creek.

To reconstruct and improve that portion of the public road from Harboursville to Indian Gap near the Frank Davis place.

copy of this Order be certified to the State Commissioner of Public Roads of Kentucky for his approval and action thereon.

Those voting in the affirmative are:—1st District, V. D. Jackson; 2nd District, G. B. Detherage; 3rd District, D. B. Fortney; 4th District, not Represented; 5th District, C. Cobb; 6th District, Leroy Peace; 7th District, E. McKeenhan; 8th District, Lewis Monhollen. Those voting in the negative, —NONE.

I, Read P. Black, Clerk of the Knox County Court aforesaid, do certify that the foregoing is a true copy of the Order as passed by the Fiscal Court at its Special Term, February 23, 1915, and ordered certified to the State Commissioner of Public Roads of Kentucky. Done this 24th day of February 1915.

READ P. BLACK,
Clerk Knox County Court

KNOX FISCAL COURT MEETS.

The Knox Fiscal Court met February 23 and 24 and passed a resolution asking for State aid in the sum of \$200,000.00, a full detail of same appears in the full report which is copied elsewhere.

When the question was called for G. B. Detherage representing District No. 2 made the motion for the full sum of \$200,000.00 which was second by V. D. Jackson from District No. 1 the vote was taken and carried unanimously, the full Court being present with the exception of Magistrate I. T. Mills.

When the Distribution for the construction of roads was mentioned V. D. Jackson of District No. 1, sprang to his feet in a jiffy and asked that a road be constructed from Bailey's Switch up Big Richland 9 miles, or to Calvin Blanton's. From Harboursville up Fighting Creek to Turkey creek a distance of 7 miles, from Emanuel up Middle Fork Richland 4 miles to J. Trosper farm.

No. 2 represented by G. B. Detherage, and he came forward asking for a road from Artemus to Warren 10 miles, from Lay 3 miles to Hay's Gap up Little Bush.

No. 3, represented by D. B. Fortney, who asked the construction of a road from Flat Lick to mouth of Roaring Fork, from main road up Middle Fork to McRoe Branch, up Road Fork to Hinkle Branch.

No. 4 was also represented by D. B. Fortney, Magistrate Mills, being absent which is included

above.

No. 5, represented by C. Cobb, he asked for a road from mouth of Hammons Fork to mouth of shop Branch at Harrison Smith's place, 3 1/2 miles, up Bull Creek to mouth of Low Gap Branch, from Bridge near mouth of Knox Fork 5 miles to Cooley's Gap.

No. 6 represented by Leroy Peace, who asked for a road from Dennis Griffiths place to the Laurel line a distance of four miles from Place to Wilton, connecting Gray, Place and Wilton.

No. 7 represented by E. McKeenhan, who asked for a road from Harboursville by way of Wilton, to Woodbine, from Harboursville, down the north side of Cumberland river to Tyre Lawson Place, two bridges across Cumberland River between Harboursville and Tyre Ferry, a road from Joel Campbell place to mouth of Indian creek.

No. 8 represented by L. Monhollen, who asked for a road from Harboursville to Indian Gap near Frank Davis, from McNeil's store down the river to the Whitley County line near Clark & Teague's, from Croley's store to Hay's Gap, from Jeff Canada three miles through Davis Bend to Artemus, two miles up Swanpond, from McNeil's store through Mackey Bend to McNeil's mill, from Dock Lawson's down the river to mouth of Indian creek. He also asked for the same two bridges asked for by McKeenhan of District No. 7.

These motions were made and all put and carried by a unanimous vote which is shown by said report.

The meeting was most satisfactorily attended and the court was never in better working order each one trying to do all in his power for the advancement of good roads, good schools, and in fact for the betterment of all mankind.

Knox County may justly boast of its Fiscal Court because it is made up of men who are trying to do their whole duty, advancing with rapidity that high mark of good citizenship. We are glad they have taken this stand and made it plain to the voters and tax payers of Knox County what they may expect, and will get in the event that the bond issue is carried. Whoop her up boys, let every body get busy. We may not have Millennium next year, but we will have in a short time something that will change Knox County from a Punishment of Mudholes to a Paradise of good roads.

All these roads will be built as soon as the main trunk lines are built and as soon as they can be Surveyed & Laid out.

A Sermon On Good Roads

(Text L. Sam. 27: 10.)

"Whither Have You Made a Road Today?"

Gentlemen and fellow citizens of Knox county, let me congratulate you for the great effort being made for the cause of good roads. I was born 2 miles south-east of Barbourville, my great grand father lies sleeping on the waters of Stinking Creek, he was a veteran of the war of 1812, fought under Andrew Jackson at the battle of New Orleans, carried scars, made by the bullets of Parkingham's men, to his last resting place. If there is a place on the earth today which I would like to see press onward and upward it is the Old County of Knox, for beneath her sod sleeps my great grand fathers and mother's and my grand father's and mothers, my own father and mother and thousands of kindred and friends who have passed from the stage of action, it is where I first opened my eyes to the light of day, and from whence I expect my sleeping dust to be awakened on the great morning of eternity.

In 1799 the county of Knox became the fifty third pillow of the Commonwealth of Kentucky, which was then a mere wilderness overspread with a great forest, but under the steady hand of progress and the advance of civilization the mighty forest has tumbled to the ground and today can be seen broad fields of fertile soil; the loud thrill of the locomotive has taken the place of the scream of the wild cat, and where the yelp of the hound was once heard in pursuit of the leopard today echo the sound of the woodman's axe, where the speckled lizard of the subterranean region once reigned supreme in his home of tranquility he is today disturbed by the ding of the miners pick. Our county is overlaid and underlaid with inexhaustible wealth, it is not only a land of wealth, it is a land of health, balmy breezes float from the high domes of Poplar to the vales of Richland while refreshing showers sweep the county over Indian Plains to Stinking's heights, while the dewdrops with their honeyed tinge falls from the knobs of Brush to the swamps of Fighting Creek, yet "Whither have ye made a road today?"

Knox has her wealth, she has her brains and the intellect, she has the brawn and the muscle, but like the young man who came to Christ, one thing she lacketh yet - that is Good Roads - let us go to the polls on the 6th of March and vote for the Bond Issue and build some Good Roads and when the dawn of prosperity shall usher in you will hear that welcome applaudit "Well done thou good and faithful servant enter thou into the joys of Good Roads."

Knox county may give all her goods to feed the poor, spend all her wealth rearing institutions of learning, but without Good Roads she would still be as nothing, a sounding brass and a tinkling symbol, yet, "Whither have ye made a road today?"

In the last fifty years the county has worked the malitia on the roads and spent over \$100,000 yet today there is not one mile of good road in the county; is not this sufficient to prove to the mind of any man that if Knox county ever expects to have any good roads she must change her mode of construction. The farmers of Knox county are actually cooped up at home three months in the year on account of bad roads. Let us put on the broad cloak of brotherhood and go to the polls on the 6th of March and vote for the bond issue.

What would good roads do for Knox county? First they would speed the wheels of progress, reduce the high cost of living and elevate the standard of society, increase our wealth and do many other things too good to talk of.

The people of Knox county way down in the morning of the 20th century are plodding along on the same old dirt roads that were traveled by Daniel Boone more than a hundred years ago. Let us lay aside the question of taxation that doth so easily disturb us and go to the polls and vote for the bond issue and build some good roads. With a good highway through Kentucky there would be many more thousands of people passing through Knox county spending money on the right hand and on the left. "Whither have ye made a road today?" Look at the county of Bell, the youngest daughter of old Knox, she has passed on to the great reward of Good Roads and stands today with beckoning hands saying "mother, join us in the work of good roads."

My fellow countrymen I appeal to you today, in the name of the young and rising generation, in the name of future posterity, never go to the polls on the 6th of March and sprag the wheels of progress by voting against the bond issue, but vote for the bond issue. "Whither have ye made a road today?" As the people build highways over the county of Knox may they be prepared to step on to the highway of holiness prepared for those the wayfaring men from whence they may step to the gold paved streets of the New Jerusalem as they enter through the gates to the city. Let every man as he goes to the polls to vote on March the 6th be fully persuaded in his own mind, then as your faith is so be it unto you, if we never get together on the bond issue I hope we may all be gathered together beneath the amaranthine bowers of perfect bliss and of eternal glory, in a world where the joys of Good Roads will never end. "Whither Have Ye Made A Road Today?"

GEORGE HIGGINS.

TEDDERS

Red Wing

We are appreciating the fine weather we are now having.

Miss Lucy Taylor was the guest of Miss Sibyl E. Lewis Sunday.

I. N. Jarvis and S. J. Woolcum spent Sunday with Mrs. Robert Hacker on White Branch.

George Helton has just finished gathering his 1914 crop.

H. H. Gilbert, of Cranenest, was in our burg Sunday.

Mr. and Mrs. Jack Collins visited Mrs. Collins parents on Horse Creek Saturday and Sunday.

Calvin Blanton, of Gibbs, was here Sunday.

J. E. Willis, of London, called on Mrs. J. C. Lewis Saturday.

On last Sunday evening Letch and Perry White, sons of John C. White were killed in an engaged gun fight with Bev. Bailey, who received three shots from the gun of Letch White. Whiskey is the supposed cause of the killing as both parties were intimately associated as friends and neighbors. The dead brothers were buried Monday in one grave. It is reported that Bailey will not recover. The citizens of Tedders extend to the bereaved family their heartfelt sympathy in their sad bereavement.

Best wishes to W. H. McDonald the Advocate and its readers.

NOTICE

Those who have sheep money due them for sheep killed year 1914 can now call on me at the County Court Clerks office and receive your pay.

Yours resp.

The Official Organ of the Republican Party in Knox County.

To the voters of Knox County:

I am a candidate for re-election to the office of Clerk of the Knox Circuit Court, subject to the action of the Republican Party, at the Primary to be held Saturday, August 7, 1915. I have always been and am now a Republican, ready and willing to do all in my power for its principles and success. I have never gone off after any false God under some other name or guise. I have constantly kept the faith.

In coming to you a second time I refer you to my record as Clerk and invite investigation of the same. I promise you that I will do my utmost to make a better officer in the future than in the past. I believe that my experience has better qualified me to serve the people now than before.

Thanking you for past favors and assuring you of my appreciation for your support in the coming primary, I am,

Your obedient servant,

W. H. McDONALD.

W. F. Parker

We are authorized to announce the name of W. F. Parker for the office of State Representative from the 6th Legislative District composed of the counties of Knox, Whitley, subject to the action of the Republican Party at the regular Primary to be held Aug. 7th, 1915. He solicits your support.

To the voters of Knox County:

I hereby announce my candidacy for re-nomination for the office of Railroad Commissioner in the General Primary next August. All predecessors have received the second nomination without opposition. I have the assurance from all over the District that this custom will be followed in any case, for which I am deeply grateful.

Faithfully yours,

H. G. GARRETT.

FIVE THOUSAND

HEAR COOPER

Exhibited Watch Valued at \$3,500 Given Him by Grateful Father

Lexington, Ky., Feb. 22—It is estimated that five thousand Lexington people heard L. T. Cooper, the man who created such widespread attention in the East, one evening recently.

Cooper explained to the vast crowd his theories on health and hygiene, accompanied by a unique demonstration of his celebrated preparation, Tanlac, which he is personally introducing in the large American cities.

In connection with his visit to Kentucky, Cooper said: "I shall remain in Kentucky for only a short time. However, I shall give the people of this section of the country the same benefits of my study and my medicine that I have given the multitudes of New York, where I have been busy during the past year helping the hundreds of thousands of suffering humanity."

"While here I will prove to every one how easy it is to guard against the ravages of ill health, by guarding your health as carefully as you do some other features of your daily lives."

"Catarrhal affections of the head, nose, throat and stomach, as well as the kidneys, produce a stunted condition of the vital organs, and nine times out of ten this trouble is responsible for most of the ill-health of we present day Americans. Faulty methods of living are back of all, but it is never too late to correct our faults."

"Tanlac the wonderful medicine that I am introducing to correct this condition, I believe to be the best thing of the kind on the American market to-day. This fact has been proven throughout the great Eastern cities, as well as right here in Lexington, where hundreds of people are already realizing the surprising results from its use."

"They all testify that Tanlac has a peculiarly grateful effect, seems to go right to the desired spot, warms up the entire system, and gives great strength and development where it is most needed—correcting all of the ills and weaknesses which come from years of misuse of the vital and digestive organs."

Cooper then exhibited a hand-somely engraved gold watch, studded with forty-seven perfectly cut diamonds, which is valued at \$3,500, that was given to him as a token of appreciation by a prominent jeweler, whose son was relieved by Tanlac.

The celebrated Tanlac is sold exclusively in the Herndon Drug Co.'s store, Harboursville, Ky.—Advt.

Flat Lick

HI-FLYER

Dr. R. L. Lattimore left Tues. to visit a patient at Sealf.

Everybody have been busy farming for the past week.

Pleas Mills passed through here last week distributing the good roads circulars.

The last excitement here was caused by Jane and Betsy Dickey over a chicken fight.

Columbus Mills visited home folks at Harboursville Monday.

Everybody regret to hear of the death of Nelson Bingham.

Every body is waiting with patience to get a whack at bond issue March 6th.

D. W. Shusher one of our leading Merchants was in Harboursville Monday on business.

John D. Mills of Harboursville spent Tuesday night with his old chum Pearl Hammons at Hyemus and passed through here in route to stinking creek Wednesday.

Tom Pat, says he will buy him a motor cycle if the pikes is made through this county.

Clarence Logan who is attending Cumberland college, was the guest of home folks Saturday and Sunday.

Miss Daisy Rapier was the guest of Cora Logan Sunday night.

Miss Cora Lofan who is attending college at Williamsburg visited home folks Saturday.

Jas. Elaine Johnson and wife was the guest of K. Terrell Sun.

Vivian Rapier visited the home of Frank Logan Sunday night.

Mrs. F. Logan has had a very bad foot from an accident caused by her daughter.

Barboursville, Ky., Jan. 27, 1915.

To the many persons who have been asking me whether or not, I am going to make the race for Circuit Clerk, I desire to say that I am now in the race, and from the consideration that I have made, I am going to announce my candidacy for a decided victory. I feel that every voter in Knox County knows of my life, not only as a private citizen, but as a public officer. I am of this fact, if you are willing to trust me with the duties of the Circuit Court Clerk I shall strive to make you an efficient officer. I am subject to the action of the Republican Party of Knox County in the Primary election to be held on August 7, 1915. Your influence in my behalf will be much appreciated. I am,

Yours very truly,

S. H. JONES.

Olive Oil—Flesh Builder
One of the best known and most reliable tissue builders.
Rexall Olive Oil Emulsion
containing Hypophosphite
is both a flesh builder and nerve tonic. Pleasant to take. Easy to digest.
Herdon Drug Co., Inc.

As long as a woman thinks that a man is jealous of her she doesn't care whether he loves her or not.
The fonder a woman is of clothes the fewer of them she wears.

Sure Cure for Catarrh

State of Ohio,
city of Toledo, Lucas County.

Frank J. Cheney makes oath that he is senior partner of F. J. Cheney & Co., doing business in the City of Toledo, County and State aforesaid, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of HALL'S CATARRH CURE.

FRANK J. CHENEY,
Sworn to before me and subscribed in my presence, this 6th day of December, A. D. 1914.
(Seal) A. W. GLEASON,
Notary Public.

Hall's Catarrh Cure is taken internally and acts directly upon the blood and mucous surfaces of the system. Send for testimonials free.

Address:
F. J. CHENEY & CO.,
Toledo, Ohio.
Sold by all Druggists. Take Hall's Family Pills, for constipation.

FOR SALE

I am offering for sale my two story residence on Pine street; this home has 10 rooms, hall up stairs and down; is plumbed for water, gas and electricity, good out buildings. I also have a seven room residence on School street for sale; also some valuable coal and timber lands. Call on or address.

L. H. Jarvis
Barbourville, Ky.

So Deceptive.

MANY BARBOURVILLE PEOPLE FAIL TO REALIZE THE SERIOUSNESS.

Backache is so deceptive. It comes and goes—keeps you guessing. Learn the cause—then cure it. That's why Doan's Kidney Pills are so effective.

We present the following case as proof: E. F. Broughton, Beater St. Station, Tenn., says: "For over three years I suffered from sharp pains through my back, so severe at times as to prevent me from straightening after stooping. The attack became more frequent and painful as time went on and I soon came to the conclusion that my kidneys were disordered. Since using Doan's Kidney Pills there has been a marked improvement and I believe I will be entirely cured."

Price 50 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Broughton had. Foster-Milburn Co., Props., Buffalo, N. Y.—Advt.

to the People Served by Railroads of the South:

An order of the Interstate Commerce Commission, pursuant to requirements of Federal law, compels a general revision of Southern freight rates. It is proper that the people of the South should be informed as to the reasons for this revision and the principles upon which it is being made.

Excepting the Norfolk & Western, Chesapeake & Ohio and Virginian Railways, which lie in Official Classification territory, the railroads of the Southeast receive virtually no part of the five per cent increase in rates recently acquiesced in by the Interstate Commerce Commission. While the need of the carriers of the South for increased revenue is certainly no less than is that of the Northern and Eastern roads, that need is in no way related to the revision of rates now in progress which arises solely from the necessity of more nearly conforming to the so-called "long and short haul clause" of the law as amended in 1910, and as now construed by the Interstate Commerce Commission.

The original Act to Regulate Commerce forbade the making of lower rates for a longer than for a shorter distance within the same line or route under substantially the same circumstances and conditions. The carriers were free to meet competition as they found it and were required to answer only upon complaint as to the reasonableness of their acts.

The amendment of 1910 deprived the carriers of the right to initiate departures from the long and short haul requirement, and they may no longer meet competition as they find it if the long and short haul requirement of the law is involved, unless they can first obtain the approval of the Interstate Commerce Commission. They were furthermore required, by this change in the law, to apply to the Commission for authority to continue in force rates existing at the time of its passage which contravened the long and short haul principle.

The existing rate structure of the South is not the creation of traffic managers of this generation. It is an inheritance from those who built the roads, and has its explanation largely in the geography of the South, and in a public policy which encouraged its creation. The changes now in progress are not of the carriers' choice.

Water competition, the most important factor in bringing about departure from the long and short haul principle of the law, has been peculiarly influential on the rate adjustments of the South, surrounded as it is on three sides by navigable water and penetrated by navigable streams. Ter-

Strength Fast Fifty Years
can be maintained by adapting the right nourishment, and Nature's own oil—food in Scott's Emulsion has strengthened thousands of men and women to continue their work and usefulness for many years.
Scott's Emulsion is a food, a medicine and a tonic to keep the blood rich, avoid rheumatism and thwart nervous conditions. It is free from alcohol or harmful drugs. The best physicians prescribe it.
14-20
SCOTT & BOWNE, BLENHEIM, ENGLAND

mini of the first roads were on navigable waters and rates between those termini were from the beginning depressed because of this water competition. When subsequently, railways were extended to the interior, distributing points were thereby created where there arose competition of two or more carriers, or of two or more carriers, resulting in depressions in rates, even when there was no direct water competition.

These conditions and circumstances contributed to the commercial and industrial development of the interior South, and, while they resulted in more frequent departures from the long and short haul principle of the law, the carriers had every reason to believe that their practice had the approval of the public, even when it was not directly the result of public demand.

Now, the Interstate Commerce Commission, pursuant to the requirement of an amended law, has concluded an enquiry into rates from the Eastern Seaboard, including the Virginia Cities, from South Atlantic and Gulf Ports, and from Ohio and Mississippi River Crossings, into the Southeast and Mississippi Valley territory. As a result the Commission has in large measure condemned existing departure from the long and short haul requirement, except where justified by competition beyond the control of the rail carries, a phrase which came to be restricted to mean direct or indirect water competition.

Obviously, the removal of in-

equalities condemned by the Commission, by reductions only, would result in disaster to the carriers. This fact is recognized by the Commission, which, in its review of the situation, started:

It is entirely clear that the revenues of a large percentage of the lines in the Southeastern territory would be so impaired by such a procedure as to make it impossible for them to meet their operating expenses, taxes and fixed charges and leave their stockholders even a moderate return.

It is equally obvious that it would be unfair to punish the carriers, in conforming to a changed public policy, for acts which at the time of commission were approved by public opinion.

Hence in working out the order of the Commission such elevation of rates to the depressed points must accompany reductions to the much larger number of intermediate points as well at least preserve the revenues of the carriers.

The task of revision is no easy one. It has been undertaken in loyal effort to conform to the law, as now interpreted, and to be fair to all.

Departures from the long and short haul principle in the South are not confined to interstate traffic. There are in the South a great many intrastate rates that do not conform to the principle.

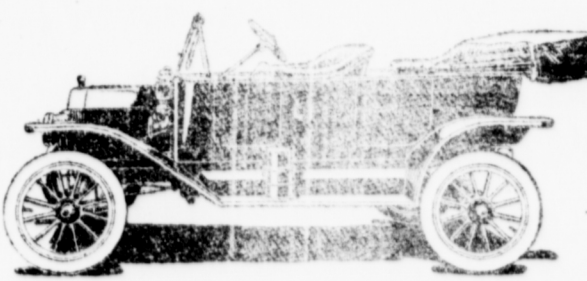

If undue discriminations are to be avoided, these intrastate rates must be brought into harmony with the revised interstate adjustment being made under the direction of the Interstate Commerce Commission. It is the purpose of the railways of the South to take up each intrastate revision with the several State Railroad Commissions.

J. R. Kinly, President, Atlantic Coast Line Railroad Company, W. A. Winburn, President, Central of Georgia Railway Company, M. H. Smith, President, Louisville & Nashville Railroad Co., W. J. Harahan, President, Seaboard Air Line Railway, Fairfax Harrison, President, Southern Railway Company.

Kentucky Carlsbad Springs

Something That Kentucky Carlsbad Water Will Do That No Other Water Ever Discovered Has Done

We will take the albumin out of your water in three days, and we are curing all cases of diabetes that drink the water. We will give relief to the most severe cases of kidney trouble in one day, and will absolutely cure any case in ten days. Stomach trouble will be relieved in twelve hours, and we will guarantee it to cure any case in ten days if it hasn't become cancerous. Bladder trouble of any kind will be cured in ten days. It will cure any old sore by bathing in it for two or three days. We guarantee it to cure any case of catarrh of the head or bowels in ten days. If you drink this water for ten days you will be absolutely free from constipation or any organic trouble, as it positively will restore every internal organ of the body in ten days. If it doesn't the treatment won't cost you anything.

You can get the same results, if it is not convenient for you to come to the Springs, right at your home, as we ship the water with full directions, excepting rheumatic cases; they must come to Springs to get well. Be sure to write for our free booklet.

Kentucky Carlsbad Springs, Inc.

HOW ABOUT THIS

To the Hon. T. J. Asher, Judge Bell County Court:—

WE, the undersigned citizens of Pineville and Bell County hereby petition your Honor, that one Dr. P. C. Ervis, is now and has been successfully treating the disease known as pellegra, and has wrought some miraculous cures after other medical men have given up the case. To-wit: Mrs. Broughton, daughter of Mr. George Shorter, and we ask your Honor to use your power to prevent him from being arrested for treating patients for said disease, or having him run from out our community.

Given under our hands this 18th. day of February, 1915.

Bell County Voted Bonds
What Will Knox Do?

In the election held for Bell County on the 18th of March, 1915, on the 18th, it was carried in favor of the bond tax to one, this shows that Bell County is up with the times, we have an election called for the 6th, day of March, what will we do? what will we do? Eh!

If the people of Knox County will only wake up, and for one moment consider what it means, they will vote man to man for the bond issue because it is no a burden it is a relief we have got to pay the 5c on each \$100.00 worth of property whether we get any of it back or not, we loose if we don't vote to get it back, if we get it back we must vote for the Bond Issue, if we do not vote for the Bond Issue we help Bell Co. and the other fifty six Counties that have asked for the State aid and have voted for the issue of bonds to build public roads.

Much has been said as to how we are to pay this money back, that is as easy as to count three; we spend \$15,000.00 every year here in Knox County, we fix one mud hole, and we make two more on each side of the one we "fixed"? we will take that \$15,000.00 as a basis and figure a little, and see where we come out at.

If we vote for the \$200,000.00 the State of Kentucky pay \$100,000.00 of it back to us, so we have of our own debt \$100,000.00 left, five percent is the highest interest we are to pay, we may get it less, at the rate of 5% the interest for the first year would be \$5,000.00, with 30 years to pay the \$100,000.00 we would have to pay \$3,333.33% per year of the said amount to pay it all back, add these two items together and we have \$8,333.33%, take the difference, and we have left of the \$15,000.00, that is wasted each year, left to the credit of the County the sum of \$6,666.66%, this is the road fund that is set aside each year besides all this, if the Constitution of the State of Kentucky, means anything at all it does mean that the poll tax cannot exceed for any intent or purpose the sum of \$1.50 a year, and the same Constitution lays it down plain that the tax on property, shall not exceed 50c per hundred dollars worth, for State purposes, and 50c for Co. purposes, is not this easy understood? It should be.

Some has it that the roads will not be built only one way through the County; this is incorrect; the roads must be built connecting the County Seats, Knox County will have to build a line of Road connecting Knox and Bell County, Knox and Clay County, Knox and Laurel County, Knox and Whitley County.

At the rate that these roads can be built per mile, after we have made all these connecting links, we will have \$25,000.00 to build roads to these main roads, we will have sufficient funds to build from 5 to 8 miles up all the Creek roads where the main connecting roads fail to go.

Again, we will have the \$6,666.66 to make more roads and the State will again put up another dollar for every one of these \$6,666.66, and we soon have the best roads, Schools, and Churches of any County in the State.

Beside all these things the farmer will soon be as independent as the "Blue Grass" farm, because he can get to market with the products of his farm, he will not then let the Peaches and Apples that now has to rot on account of no market waste; for there will be a canning factory or maybe more than one that will can everything from a Pumpkin, to a peach; every kind of lumber will bear better prices, and there will be more factories; look at the present conditions of the roads if they were good men today would be making from \$5.00 to \$10.00, per day hauling hickory logs to our factory, as it is the teams are standing up and doing nothing but eat up what was

CHANCE TO MAKE KENTUCKY
GREATEST HOG RAISING STATE

10,000 Hogs Fattened From Slops and Distillers' Dried Grains in Daviess County Alone Last Year

(By Stephen Bolles, in Bourbon Stock Journal).

Kentucky can easily be made the greatest hog-raising State in the Union. That has been demonstrated by Daviess county farmers. Last year about 10,000 hogs were fattened in that county on distillers' slops and dried grains.

So successful were the experiments that the L. H. & St. L. railroad provided switches along their lines for the use of farmers to utilize this by-product of the distilleries for feeding

Officially Tested Out.

The official tests of this feed have been very satisfactory in every way. It has the stamp of approval of the best chemists in the agricultural world. Men from experiment stations who know all about feed values of different grains and foods have given it the highest recommendation.

The richest agricultural States in the Union are those which lead in the production of hogs, with its vast herds of corn, timothy, alfalfa and clover in the order named, have thousands

One of the many distillers' slop-fed prize winners at the Great Farmer's Fair at Daviess County Fair Grounds, Owensboro, Ky., May 30, 1914.

of rich farmers who made their money out of hogs. They feed the raw grain to the hogs and sell him at the highest price in the biggest market of the country. They have no such advantages as the Kentucky farmer has. At our very doors, and at a much lower cost than corn the hogs and Indiana farmer feeds. We have the feed that will produce the best pork in the world.

Makes Prize Winners.

At a great barbecue on the Owensboro Fair Grounds last May, attended by 20,000 farmers and feeders, there were on exhibition scores of fine hogs fattened on distillers' dried grains and slops, and many cash prizes were awarded. Officials from the agricultural department of the State and Federal Government were present and made addresses on the proper care and feeding of hogs and the prevention of cholera. Specimens of distillers' dried grains and slops from various distilleries were also on exhibition and their respective food value were explained to experts.

One of the greatest advantages in feeding distillers' dried grain is the fact that nothing is lost. The distillers remove only the non-fattening portions of the grain, leaving an average of 40 per cent of protein, which is the element required to fatten stock. It has been supposed by many people that the best way to fatten a hog is to feed hard corn. But corn in the natural state yields about 13 per cent of protein, as much of it passes through the animal undigested. Distillers' dried grains therefore possess about three times the fattening properties of natural corn. By feeding these dried grains with alfalfa, clover or other green stuffs, hogs fatten quicker and better than by the use of corn alone and at very much less cost.

LET'S MAKE KY. THE BIGGEST HOG RAISING STATE

made last year, and not making a dollar.

Men wake up, do not let Bell County make good roads in its County on our money, and we stand by in the mud up to our knees, and regret the day that we did not go to the polls and do our duty; men, do your whole duty to God and man, do your duty to your family, your neighbor and yourself; we believe you will do it; we believe that Knox County has within its confines, men enough to carry this by as great a majority as did Bell Co. and as great one as will Whitley, Laurel and Clay, these Counties will all vote the Bond issue, let every man get busy, let us all do something that we will feel proud of after we are all old, let us build ourselves a monument that will be as lasting as the one made by Napoleon, when he built roads all over France, and put her in the front of all Europe; build a monument that our children will point to with pride as having an ancestry that made this forward stride for progress and civilization, whoop up the majority, so that we will be more than sure that we have all these good things that are in store for only the asking.

FOR QUICK SALE.

Coming, four year old combined saddle and harness stallion, colt of the famous Rex Peavine horse of the bluegrass.

T. N. GOLDEN,

VOTERS

All persons who did not Register last October, or who have become voters since last election, can register at the regular voting places in Barbourville and Corbin, Kentucky.

SATURDAY FEB. 27, 1915.

Register now and vote in the Road Bond Issue Election March 6th, and in the Primary Election August 7th, 1915.

COMMISSIONER'S SALE

By order of the Knox Circuit Court, rendered at its November term, 1914, in the case of:

S. F. Kelly, Admin., of Henry Kelly, decd., vs. J. C. Marsee, Deft.

I will, as Commissioner, on the 6th day of March, 1915, same being first day of the term of the Court, sell at Artemus, Ky., to the highest and best bidder, the following described property, or enough thereof to satisfy the judgment in said case, amounting to \$——, viz.:

To settle the estate of Henry Kelly, decd. About twenty-five or thirty thousand feet of lumber. Part of said lumber is at Artemus, Ky., and the balance of said lumber is on Owen's Branch, on the J. C. Marsee farm; also about 30,000 or 40,000 feet of logs on Owen's Branch, already skated to the foot of the hill and there is about 10,000 feet of logs sawed, but still in the woods.

Said property will be sold on a credit of three months, the purchaser to execute bonds with approved security, bearing interest at six per cent from date until paid, having the force and effect of a judgement and retaining a lien on said property until the purchase money is paid.

Sale about 9:00 o'clock a. m. purchaser must execute bonds as soon as sale is over or the property will be immediately put up and resold.

Witness my hand this 18th day of Feb., 1915.
W. W. BYRLEY, M. C. Knox Circuit Court.

NOTICE

At the Regular January Term 1915 of the Knox Fiscal Court it was ordered that their be employed 8 pauper physicians or a pauper physician for each Magisterial District of Knox County, who is to attend and treat all paupers in their respective districts, and if said district physicians fail or refuse to attend any pauper when called upon to do so some other physician is to be called and his compensation is to be taken out of the district physicians, who fails or refuses to attend, quarterly payment. All physicians will take notice that they will not get anything for services rendered a pauper except those that have been neglected or refused treatment by the regular district physician. The following physicians have been appointed for the various districts: District No. 1.—Dr. J. G. Tye, District No. 2.—Dr. W. W. Sneed and B. P. Jones, District No. 3.—Dr. R. L. Lattimore, District No. 4.—Dr. R. L. Lattimore, District No. 5.—Dr. T. G. Vickers, District No. 6.—Dr. J. W. Parker, District No. 7.—Dr. Corum and Dr. Heath, District No. 8.—Dr. W. Furnside.

Yours respectfully,
Thomas G. Hammons, Judge Knox County

Notice of Election.

PURSUANT to the order of the Knox County Court, at the regular term, 1914, herewith fully set out, notice is hereby given that an election will be held in each of the voting precincts of Knox county, on the 6th day of March, 1915, for the purpose of taking the sense of the legal voters of Knox county, on the question whether said county shall incur an indebtedness of \$200,000.00 for the purpose of building roads and bridges in Knox county. The said order of election, and the purpose thereof are fully set out in said order which is as follows:

KNOX COUNTY COURT

Regular Term, December 28th, 1914.

W. H. Dethersage and 221 others, being more than one hundred and fifty freeholders and legal voters of Knox county, Kentucky, having hereunto, viz., on December 28th, 1914, and again on to-day, filed their petition in this Court asking that an election be held in Knox county, Kentucky, for the purpose of taking the sense of the legal voters of Knox county, on the question whether said county shall incur an indebtedness of \$200,000.00 for the purpose of building roads and bridges in said county, and asking that this Court enter an order directing the Sheriff to call an election for said purpose on the 6th day of March, 1915, and the Court having examined said petition and the signatures and the purpose thereof, and being advised, sustains said petition, and it is now therefore:

ORDERED—That an election be held in Knox county, Kentucky, in each of the regularly established and existing voting precincts thereof, on the 6th day of March, 1915, the same being more than sixty days after the filing of the said petition and the entering of this order, for the purpose of taking the sense of the legal voters of Knox county, Ky., as to whether they are in favor of issuing \$200,000.00 of bonds of Knox county, Ky., for the purpose of procuring funds for the building of bridges and roads in said county. The Sheriff of Knox county, Ky., is ordered and directed to call said election, and he is further directed to conduct said election, and he is further directed to advertise the same and the object thereof for at least thirty days next before the date of said election, in The Mountain Advocate, the only newspaper published in Knox county, and he will also advertise same by printed handbills posted up at not less than four public convenient places in each voting precinct in the county, and at the front door of the court house, in Barbourville, Ky., which handbills shall be posted at least thirty days next before the date of said election.

There shall be submitted to the voters of the county, at said election, the following question:

"Are you in favor of issuing \$200,000 in bonds for the purpose of building roads and bridges in Knox county?"

The ballots for said election shall be prepared as is provided for in the general election law, Section 1458, of Kentucky Statutes.

Saturday, February 27th, 1915 is hereby set aside and designated as special registration day, and on said day a special registration is directed to be held in the city of Barbourville and in that part of the city of Corbin in Knox county, for the purpose of enabling those persons residing in the city of Barbourville and in that part of the city of Corbin in Knox county, and legally qualified to vote, at the election hereby called to be held, and whose names do not appear on the registration books made in the month of October, 1914, to register and qualify to participate in said election.

The registration herein provided for and the election herein provided for shall be conducted by those election officers who conducted the regular election, November, 1914.

A Copy Attest:

G. L. Black

Clerk Knox County Court,

A special registration will be held in the voting precincts of the city of Barbourville and the city of Corbin, in Knox county, on Saturday, February 27th, 1915, for the purpose of enabling all qualified voters to register who failed to register at the last regular registration day in October, 1914.

At the election hereby called and to be held, and at the registration herein directed to be held, the officers of Election who served at the last regular November election, will serve and act at this election.

Given under my hand as Sheriff of Knox county, Ky., this Jan. 22, 1915

S. L. LEWIS, Sheriff

Knox County, Ky.

ROAD LAW

-AND-

BOND ISSUE

READ AND BE CONVINCED.

To the Citizens of Knox County:-

The undersigned Attorneys of the Barbourville bar have been requested to submit a written opinion on some of the legal questions at issue in the proposed Bond issue of Knox County to be voted at the election called for that purpose on March 6, 1915, and they would respectfully report as follows:-

1. What is the highest sum that can be collected as a Poll Tax against any citizen in Knox County, in the event that these bonds are voted.

Ans. The poll tax in any one year cannot exceed the sum of \$1.50. Section 180 of the Present Constitution of Kentucky says that the poll tax cannot exceed \$1.50.

2. What is the highest amount on the \$100.00 that can be assessed on both real and personal property, if these bonds are voted?

Ans. The tax rate for county purposes cannot in any event exceed 50c on the \$100.00. Section 157 of the Present Constitution of Kentucky says that the tax rate for County purposes cannot exceed the sum of 50c on the \$100.00.

3. What poll tax and what rate of property tax for County purposes have we been paying in Knox County?

Ans. Some years there has been a poll tax of \$1.50 and some years less, and some years there has been assessed a property tax of 50c on the \$100.00 and some years less. Under the Present Constitution of Kentucky the poll tax cannot exceed \$1.50 and the County tax cannot exceed 50c on the \$100.00.

4. If we vote the \$200,000 in bonds what part of said sum will be paid by the County and what part by the State.

Ans. One-half of this sum will be paid by the County and one-half will be paid by the State of Kentucky. It is so provided by Sections 5 and 18 of the new road law enacted on March 24, 1914.

5. What length of time will Knox County have to pay its one-half of the \$200,000 and what rate of interest will Knox County be required to pay?

Ans. Knox County will have thirty years if it desires in which to pay its \$100,000 and the bonds cannot bear more than 5 per cent interest per annum.

6. For what purpose will this \$200,000 be used if it is voted and how will it be used?

Ans. For building and constructing Pikes and Bridges in Knox County under the supervision of the State Road Commissioner, and according to the plans and specifications furnished by him. The Fiscal Court and Road Engineer of Knox County will assist in carrying out the plans and specifications of the State Road Commissioner.

7. Section 4 of the Road Act of 1914, provides that there shall be collected, beginning with the year of 1915, a tax of 5c on the \$100 of value of every kind of property in the State subject to taxation, for road purposes, to be paid into the State Treasury by each of the 120 counties of the State. Now in the event we do not vote these bonds will we have to pay this road tax into the State Treasury?

Ans. Yes. Knox County will have to pay this road fund into

the State Treasury beginning with the year of 1915, whether we vote the bonds or not and our money will go to help build roads in other counties of the State.

8. For what purpose is this 5 cent road fund collected from each county in the State?

Ans. It is to create a fund in the State to aid the State to pay off one-half of the bonds voted by Knox County and other counties for road purposes.

9. What roads are to be constructed with this money?

Ans. Section 1 of the road law, provides, that there be first constructed four roads, leading from the County seat by the most practical and direct route to the county line, towards the county seats of adjoining counties, that is to say, that the first roads to be built with this money will begin at Barbourville, the County Seat, and extend to Whitley County on the Southwest, to Clay County on the Northeast, to Laurel County on the North, and to Bell County on the Southeast, and after these four roads are constructed, then such other roads as the Fiscal Court of the County may designate and be approved by the State Road Commissioner, as are the most important and will serve the greatest number of people, and so as to distribute the benefits of this road fund to all parts of the County. (Section 1 and 8 of the Road Act, 1914.)

10. Has the so-called "Boone Way" anything to do with this road law or this Bond Issue.

Ans. NO.

11. If we vote the bond issue of \$200,000 will it in any way increase the amount of taxes that we have heretofore or may hereafter be required to pay to the State?

Ans. It will not.

12. Why should Knox County vote these bonds?

Ans. In our opinion we cannot build good roads without voting these bonds. The State pays one-half of the cost and the County one-half of the cost, in this way, it will relieve the burden of the taxpayer. This is the most economical and practical way to raise money to construct the roads. The tax rate, both for the poll and the property tax cannot exceed \$1.50 on the poll and 50c on the \$100.00 for the property. We have been paying this amount of poll and property tax and throwing it into mud hole, and receiving no lasting benefit from it. This money will come to Knox County and be spent here. It will be of untold benefit to our Farmers, our Schools, our Churches, and to every form of industry and activity in Knox county. It will place us on the high road to growth, development and prosperity.
